Greetings:

As the 60th Mayor of the City of Atlanta, I am pleased to welcome attendees of the *2019 International Production and Processing Expo (IPPE)*.

The *2019 International Production and Processing Expo* features the latest technological developments in the poultry, meat and feed industry. As the largest show of its kind, *IPPE* provides attendees with a unique opportunity to learn, network and initiate dialogue around important issues facing the industry. I recognize your extraordinary efforts to attract thousands of leaders in the poultry, meat and feed industry, and I thank you for your endeavors to enhance the safety of poultry products across the globe. The City of Atlanta is honored to host this year's international exposition.

While visiting, I encourage all attendees to explore the wonderful attractions Atlanta has to offer, including: the Dr. Martin L. King Jr. Center, the Georgia Aquarium, the World of Coca-Cola, CNN Center, Centennial Olympic Park, Woodruff Arts Center, Atlanta Botanical Garden, Children's Museum of Atlanta, National Center for Civil and Human Rights, College Football Hall of Fame and many more. I hope you enjoy our Southern hospitality, sample our great restaurants and experience the rich and diverse heritage of our historic City.

On behalf of the people of Atlanta, I extend best wishes to you for a wonderful event.

Sincerely,

Keisha Lance Bottoms
